Website

- Check the baseball website @ www.pickeringontigers.org/baseball for regular updates.

Fundraising:

Girls Basketball Tournament:

- Still looking for 2 more volunteers. Already have 4 people sign up. Coach will put out another e-mail.

Mulch Sale:

- We may move the delivery date up sooner and have the date be sometime during Spring Break. There will be more details on this at our next meetings.

Charity Mania:

- Chad Raymond is stepping down as the coordinator. Coach has discussed this with Brian Doyle. He is waiting to hear back. If Brian is not able to take this on responsibility, **please consider volunteering for this position.** It is a simple process and you will have guidance and help from others.

Banner Program:

- Laura Roesch has volunteered to coordinate this program; however we are looking for an underclassman parent to work with her. If you are interested in helping or finding out more please contact Lori Smith @ tsmithi@insight.rr.com.

Central Boosters:

- Our Central boosters are considering promoting 2 large Fundraisers that all satellite clubs would participate in. The idea would be to all work together and have a much larger profit. The individual clubs could back off on their own fundraisers. The money made from these larger fundraisers would then go toward payment for our future "Pay to Participate" bills.

New Business:

Calendar/Posters:

- Letter winners & All Seniors are usually featured on a "Central" poster. It was discussed that this may or may not be necessary to do this year. (Cost efficient.) We will continue to discuss at our next meetings. If you have any vendor info, ideas, please attend and help out.

Senior Thoughts:

- Senior Gifts were discussed briefly, it was decided a meeting will be held **after** the February meeting for all senior parents to discuss issues regarding seniors. Please plan to attend on Feb. 10th. Come with your ideas and any vendors that can be used.

After the Season Banquet

- It was discussed that our end of the season banquet may possibly be scaled back to a dessert or something similar in an effort to once again keep the cost low. As the season gets closer this issue will be discussed at greater length.
